Advice to Mothers.

Mrs. Winslow's Soothing Svrup should always be used when children are cutting teeth. It relieves the little are cutting teeth. It relieves the little sufferers at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhesa, whether arising from for diarrhoea, whether arising from teething or other causes. THE wasting diseases of infants and

children are by no means confined to an insufficient supply of food. The trouble is that the food is injudiciously selected, and the limited digestive power of the child is unable to as-similate it. Mellin's food, when pre-pared according to the directions, forms the best substitute for mother's milk that has ever been pro luced.

go It is between seasons in the clothing trade. The demand for summer goods is now over, and 'suyers are not yet thinking of fall goods.

The Misfit Clothing Parlors, 262 Second street, do not believe in dull seasons. Goods can always be sold, provided prices are placed low enough. The way to do business is to do it. If trade is dull force it. That's what we now propose doing. Of course we still have goods on hand which we do no care to carry over. Now we propose to sell these goods. How? Why, by selling them much lower than they cost us.
